

HEPHATHA BATON/DRILL TEAM COMMITMENT

It is understood that my student has signed up to participate in a team sport that requires her commitment and dedication to attend practice sessions and performances. All efforts will be made to participate in all events. In the event of an emergency and my daughter will be unable to attend an event, I will make every effort to contact the coach directly, Pam Luke, 714 809 8481 or lukepam@att.net.

Communication will be emailed to the designated email on our roster. If you wish, an additional email may be added below. We will not send hard copy home. If you do not have access to email, please partner with another student to print.

Student Name: _____

Parent Signature: _____

Student Signature: _____
