PARENT VOLUNTEER PROGRAM

Every family is required to volunteer 50 hours per school year. Such activities may include copying, grading, filing, chaperoning, driving, teaching/demonstrating, assisting, repairing, painting, or the sharing of special talents. Such service may take place during the school day, evenings, or even on the weekend. Please consult your child’s teacher for opportunities. Families are responsible for recording their service hours in the PVH book located in the school office. Families may choose to pay \$10.00 per hour rather than volunteer and will be billed accordingly on May 15th of each school year for hours not volunteered. Planned volunteer hours for the end of May and June should be recorded in the PVH book in advance of service. All such monies collected will be used by the school to improve the educational program.

CONSENT FORM

We have no objection to our child being included in any pictures taken/and or video recording at Hephatha Lutheran School which might be used for purposes of promoting the school program through newspapers, DVD’s, the Internet or school brochures.
